BARN DOOR  
94 Series

---

*The 94 Series is a result of DIVIDERS by COXUSA's drive to continuously innovate and design unique propriety systems. Combining functionalities and creating new aesthetics in interiors highlights DIVIDERS by COXUSA's strength in engineering and design.*

*The 94 Series is a system that showcases the sleek design of the DIVIDERS panel with quality grade contemporary top mounted stainless steel barn door hardware. This system is perfect for interiors that specify for trackless doors with the smoothest sliding operation while maintaining today's modern look.*

*The variety of options that the 94 series offers makes this system a popular if not the perfect system. The use of aluminum frame with opaque white laminated glass in modern finishes such as matte black and brushed chrome creates an impeccable modern interior sliding door system.*
